

A photograph of a red Citroën 2CV car parked on a street at dusk. The car is in the foreground, angled slightly towards the left. It has a black roof rack and a license plate that reads 'YD26 272'. In the background is a large, historic brick building with multiple arched windows. Some windows are illuminated from within, and a street lamp is visible. A person in a blue jacket is standing near one of the arches. The overall scene is captured in a cinematic style with warm, low-key lighting.
